## ***“Downtown Winter Window Gallery Stroll”***

The Downtown Boise Association has teamed up with Boise City Arts Commission to provide a unique art experience that will be launched on First Thursday December 7th, an outdoor “Winter Window Gallery Stroll”.

Seven local artists will create a work of art depicting their choice of a winter or holiday scene on downtown business window locations. Those locations and artists include:

- ✓ Farmers & Merchants State Bank (121 N. 9th) – Sandy Marostica
- ✓ Kandor (213 N.9th) - Morgan Dethman
- ✓ Hannah’s (621 W. Main) - Marianne Konvalinka
- ✓ American Clothing Gallery (100 N. 8th)- Randall Byron Miller
- ✓ Flying M Coffeehouse (500 W. Idaho) - Grant Olsen
- ✓ Idaho Trust National Bank (888 W. Broad) - Miriam Woito
- ✓ Brick Oven Bistro (801 W. Main) - Maryanne Hansen

In addition, carolers and/or musical entertainment will be at each location to add holiday cheer and include the Minstrals of Burnham Wood, ENCORE! Theatre Carolers and Jimmy Bivens.

During First Thursday a free trolley service will be running throughout Downtown, and parking in the public parking garages after 4pm is \$3 for the whole evening. On street parking after 5pm is free.

So while you are Downtown enjoying the many First Thursday activities on December 7th, add the Winter Window Gallery Stroll to your list of “must-do” activities the evening.
